2019 Q8

2019 sees the introduction of Audi's new flagship SUV – the Q8. Born from a brand famous for iconic designs, the Q8 is instantly recognizable as an Audi, yet boldly creates its own unique identity. The Q8 combines the elegance of a four-door luxury coupé with the versatility of an SUV. It has a powerful front that's combined with a sloping roof line to create a feeling of dynamism. The progressive design continues on the interior of the Q8 with the available leather dashboard and a new MMI Touch Response. The sporty interior also conveys a luxurious charm, and together with the optionally-adjustable rear seat, also offers plenty of space in the rear. The lounge-like character of the interior makes it an ideal companion for business or leisure.

2019 A7

The evolution of art. Inspired by the original model, the all-new A7 completely refines a GT. Sharp angles and taut lines combine to create a true masterpiece. From its sharpened lights with their own light signature, its upright front with a wide single frame and coupé-like silhouette, to its sculptural rear end – the Audi A7 Sportback is an ambassador for a revolutionary design language and at the same time carries classic quattro genes. The interior of the new A7 is nothing short of revolutionary. The traditional Audi hallmarks of rich leathers and crafted inlays are joined by cutting-edge technology, delivering luxury like never before. Proof that you can stay true to your line while reinventing it.

2019 Audi A6

The all-new 2019 A6 is more than just another sports sedan. Its unmistakable presence comes from the strong lines and carved bodywork that highlight its athletic side profile, while the strong wheel arches reflect the quattro all-wheel drive power that lies within. Setting new class standards, the A6 interior delivers luxury and technology combined like never before. Get the ultimate VIP treatment with front seats that offer massage and ventilation, two large interactive touch screens, and an optional air ionization and filtration system. Business class has a new metronome: the Audi A6.

2019 RDX

Welcome to a driver-focused cockpit. Everything from the leather wrapped steering wheel and rich, available leather seats to the high-grade cabin materials, including brushed aluminum and available Natural Olive Ash Burl Wood, say let's go for a drive. The all-new Acura RDX comes equipped with a 10-speed automatic transmission for crisp acceleration, a turbocharged engine and the next generation of SH-AWD®. Feel closer to the great outdoors with the ultra-wide, panoramic moonroof that extends over the backseat passengers as well. The available surround view camera system is designed to give you a 360-degree view of the space around the RDX. Six unique camera views, parking sensor information and dynamic guidelines that show your expected path.

2019 MDX

Whether we're building a supercar or an SUV, our approach has always been the same: put the driver first. Always. That's why we've gathered designers and dreamers, optimists and engineers, to push the limits of technology and enhance the relationship between driver and machine. It's what Precision Crafted Performance is all about. So when we set out to build the MDX, we built it the only way we know how.

2019 TLX

The 2019 Acura TLX continues to turn heads. It represents more than the latest evolution of Acura. Rather, it's the most compelling realization yet of our driver-focused philosophy. It's power and control brought into perfect balance. It's helping to anticipate where the driver wants to go, changing the way wheels themselves move and guide you. It's uncompromised design in the name of unrestrained feeling, putting exhilaration front and center once again. It's that kind of thrill and includes Apple Car Play

2019 A-Class

A is for appealing. An aggressive stance, aerodynamic lines and LED lighting, the A-class takes a versatile hatchback body in sporty style. Its premium, ultramodern cabin encloses you in spacious comfort and in state-of-the-technology. Dual 7-inch digital displays include a central touchscreen to keep you informed and entertained. Sitting sporty on 17-inch wheels, the A-Class is born bold. With the new Mercedes-Benz User Experience, the A-Class cockpit responds to your touch. And with artificial intelligence, it offers what may be the most capable, natural and intuitive speech interface from any automaker.

2019 C-Class Sedan

The C-Class sports countless technological advances in even more seductive style for 2019. Lower body styling, wheel choices, and all-LED lighting highlight its athletically stylish shape. A new 12.3-inch digital instrument cluster and 10.25-inch centre screen are available. More horses, nine speeds, and the year-round grip of standard 4MATIC all-wheel drive, the C-Class has the agility, strength and confidence to match the beauty of its well-toned body. The C-Class enters a new generation of innovation, with a more advanced suite of driver assists, user-friendly new technologies, and more thoughtful luxuries.

2019 GLC

The muscular body of the GLC is wind-tunnel-honed and track-toned. A long wheelbase, big wheels and wide track add up to space, stability and sportiness. Crisp proportions and chrome details attract admiring eyes like it's drawn to the road. Venture through wide rear doors to the 40/20/40-rear split seats, while your luggage rides in luxury, with an available hands-free tailgate. The turbo GLC 300 4MATIC and plug-in hybrid GLC 350e 4MATIC are both energetic and energy-conscious. They embrace the road and your passion for driving with composed comfort and a feeling of confident control. And they reassert the "sport" in SUV.

2019 8 Series M850i Pure Power. Perfect Precision.

BMW Grand River is pleased to introduce the 2019 BMW 8 Series Coupé. The BMW 8 Series Coupé embodies what BMW icons have always stood for: the agility of a sports car with the style of a gentleman. Concentrated power meets modern luxury. Uncompromising dynamism and timeless elegance. Your appetite for performance with your magnetic style. The new BMW 8 Series comes standard as an M Sport model. With this comes the impressive M Sport brake system and the eye-catching M rear spoiler. Other distinct details include the brilliant 20" alloy wheels, the slimmest BMW Icon adaptive LED headlights (BMW Laserlights are optional), an optional lightweight M carbon roof, and a new take on the iconic kidney grille.

2019 BMW 3 Series Designed to Perform.

Since 1975 the BMW 3 Series has led the field. With unwavering dedication to the journey, it brings together advanced engineering and expert craftsmanship. Now in its seventh generation, the 330i Sedan's improved horsepower and torque stem from the 2.0-liter TwinPower Turbo; the most powerful production 4-cylinder in 3 Series history. The result is best-in-segment acceleration from a sedan that's made to move. The BMW 3 Series also marks the start of a new chapter in the BMW design language: clear shapes and poetic surfaces enrich the innate dynamics with a modern presence.

2019 BMW X5 Confidence Doesn't Take Detours.

The new BMW X5 embodies the DNA of the BMW X family. In its fourth generation, this model is making its most powerful statement to date in terms of presence and modernity. It defines a new X design language in a robust, clear and precise manner. The new interior offers even more luxury and an intuitive operating concept. Make your world a little bigger. With more horsepower than the previous generation, and improved suspensions with Dynamic Damper Control included as standard, the All-New BMW X5 is ready to travel any terrain.
